

"Stately Accent For The
Finest Homes And Properties"

GRANDSLATE™

LIFETIME *Designer* SHINGLES

Color Shown:
Bristol Gray

for PROPERTY OWNERS

- **The Look Of Traditional Slate...** Massive tabs and ultra-dimensional appearance create the look of traditional slate shingles
- **Affordable Luxury...** Only a fraction of the cost of traditional slate
- **High Performance...** Custom specified, ultra-high performance Micro Weave® core provides better protection layer for layer
- **Safer...** Class A fire listing from Underwriters Laboratories—the highest rating possible (unlike some plastic or synthetic "slate" shingles, which carry only a Class C fire rating)
- **StainGuard® Protection...** Helps assure the beauty of your roof against unsightly blue-green algae*
- **Stays In Place...** Double row of Dura Grip® adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles warranted to withstand winds up to 130 mph!†
- **Peace Of Mind...** Lifetime Ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years*
- **Perfect Finishing Touch...** Premium Timbertex® ridge cap shingles with StainGuard® protection lend the perfect finishing touch

for PROFESSIONALS

- **Quicker Installation...** Large, 17"x 40" size saves labor, allowing you to offer superior value and greater homeowner satisfaction
- **More Referrals...** Unique and distinctive design that other homeowners will notice!
- **Less Chance Of Call-Backs...** Shingles now warranted to withstand winds up to 130 mph!†
- **Greater Customer Satisfaction...** StainGuard® helps assure the beauty of the roof against unsightly blue-green algae*

*See Ltd. warranty for complete coverage and restrictions.

†130 mph wind speed coverage on Grand Slate shingles requires special installation (see Ltd. warranty for details).

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Smart Choice® Roof System Solution

Quality You Can Trust Since 1886...From North America's Largest Roofing Manufacturer!™

Leak Barrier

Weather Watch® and **StormGuard®** provide exceptional protection against leaks caused by roof settling and extreme weather. Ideal upgrade at all vulnerable areas (including at the eaves in the North*).

Roof Deck Protection

"Breathable" **Deck-Armor™** allows moisture to escape from your attic while providing an exceptionally strong layer of protection against wind-driven rain. It also lays flatter for a better-looking roof. **Shingle-Mate®** also provides great protection for your roof.

Quality Shingles

Choosing the right shingle can increase the value of your home. GAF-Elk offers you many great shingle choices, including **Timberline®**, the #1-selling architectural shingles in North America.

Effective Attic Ventilation

Cobra® and **Master Flow®** vents help remove excess heat and moisture from your attic that can raise your energy bills, cause premature peeling of interior paint and wallpaper, and even affect your health.

Distinctive Ridge Cap Shingles

Similar to the way that a distinctive frame enhances a painting, **Timbertex®** and **Ridglass®** can enhance the beauty and value of your home—while guarding against leaks at the hips and ridges.

Reliable Low-Slope Membranes

Liberty™ and **Freedom™** commercial-grade self-adhering roofing systems are exceptionally dependable! They're safer too, because no open torches or hot asphalt are used.

Pre-Cut Starter Strip Shingles

WeatherBlocker™ or **Pro-Start™** are a great upgrade option for rakes and eaves. They save time, eliminate waste, and reduce the risk of blow-off...and may even help qualify for upgraded wind warranty coverage (see Ltd. warranties for details).

Roof Accessory Paint

ShingleMatch™ premium roof accessory paint is a great option to help you "hide" unsightly roof accessories by making them blend in with the color of your shingles... for a better-looking finished roof.

*In the "North," building code requires the use of Leak Barrier at the eaves.

The GAF-Elk Smart Choice® Roof System Solution has earned the prestigious Good Housekeeping Seal, which means that Good Housekeeping stands behind the products in this system. (Refer to Good Housekeeping Magazine for its consumer protection policy.)
